

BROWARD
COUNTY
Transit

Moving to the Future

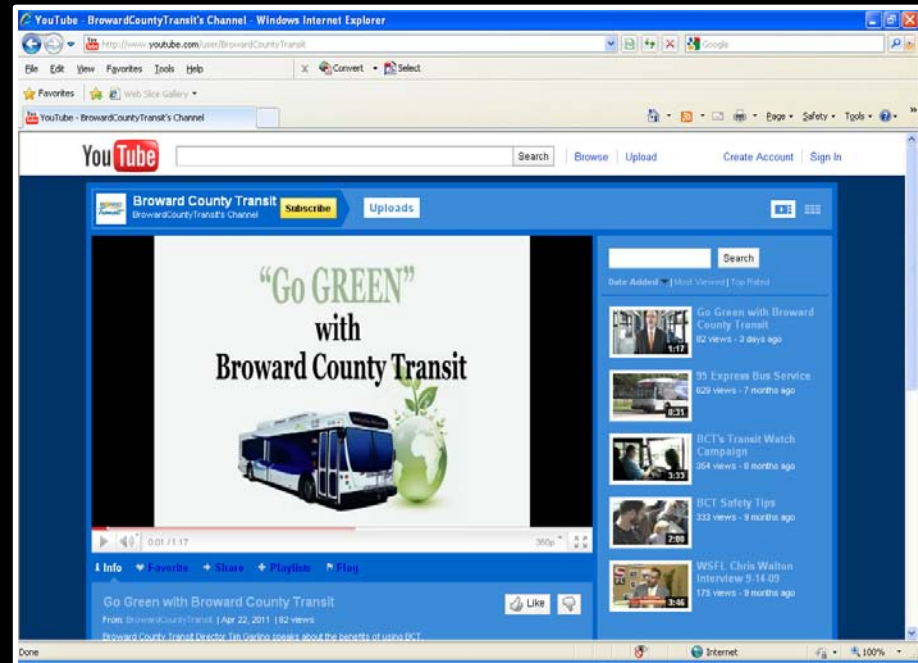

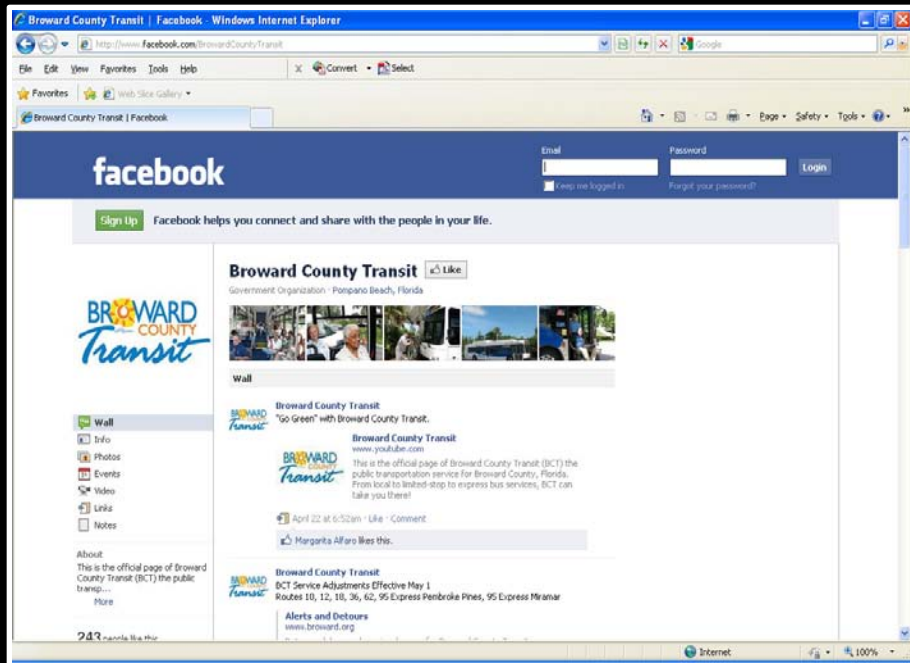

95 Express Regional Commuter Services

- Regional transit service to downtown Miami and Miami Civic Center area
- Hybrid diesel-electric buses use less fuel and reduce air pollution
- Wi-Fi enabled for customer appeal and convenience
- New I-595 Express service to Fort Lauderdale and Miami in early 2012

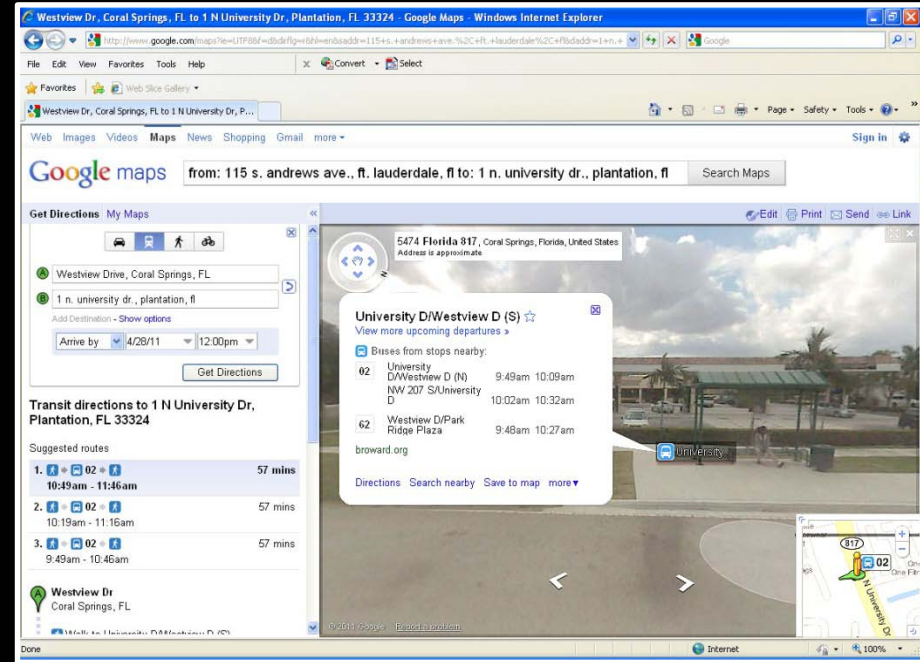

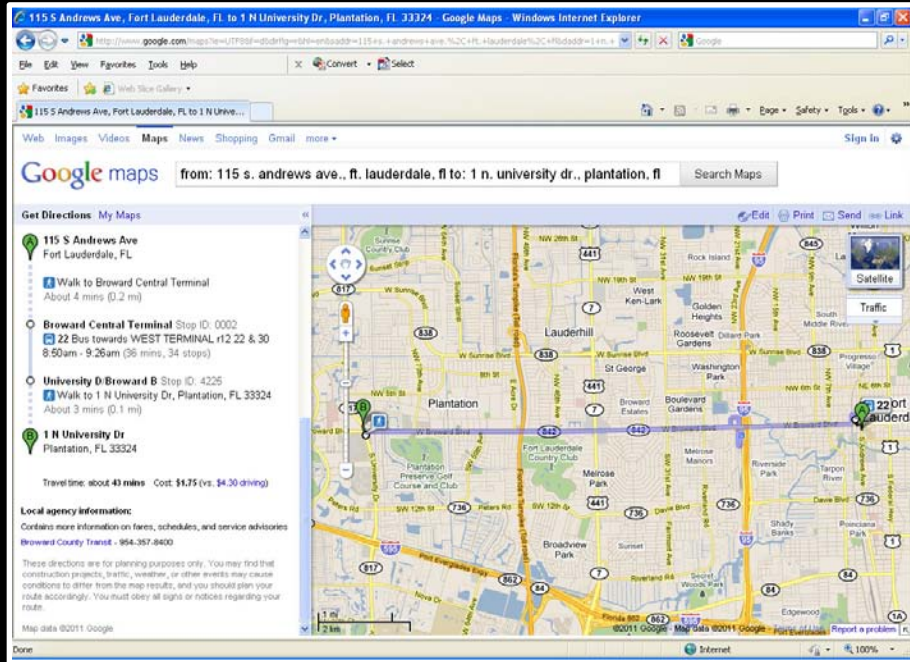

Social Media Outreach

- Learn more about us on the BCT home page at broward.org
- Sign up for Transit Flash, BCT's electronic quarterly newsletter

Google Trip Planning

- First South Florida agency to introduce Google Transit
- Allows customers to plan their bus trip online
- Provides information on route, stop, departure/arrival times and the cost of the trip

Transit Technology for Seamless Regional Travel

- Development of a seamless fare system is underway
- Designed to encourage and facilitate ease of travel for local and regional customers

Real Time Bus Information Project

- New project under development to enhance the customer experience
- Real time bus arrival signage to be installed at transit terminal and other key locations
- Customers will be able to access, by cell phone or other personal communication device, the actual bus arrival time at any bus stop

Bus Shelter Program

- 497 shelters countywide prior to new bus shelter program
- By completion of program in 2014, 680 new bus shelters to be constructed for a total of 1,177 bus shelters countywide

New Construction Projects

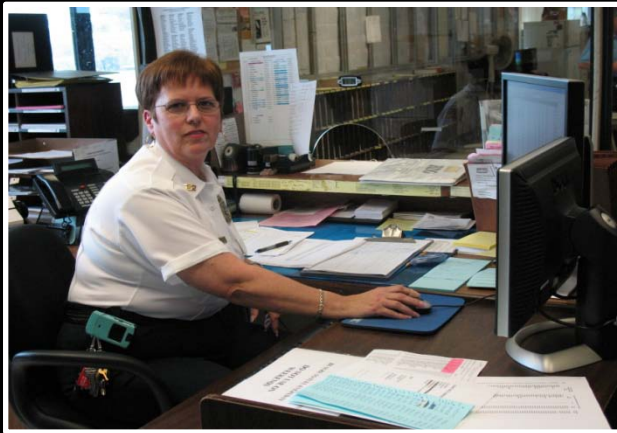

- **Northeast Transit Center to open Fall 2011**
 - **Servicing four routes and Pompano Beach Community Bus**
 - **Wi-Fi access at bus stops and public areas**

- **Other Future Construction Projects:**
 - **Ravenswood Operations Facility (LEED Certified – Energy Efficient)**
 - **Bank Atlantic Center Park and Ride**
 - **Lauderhill Mall Transit Facility Renovation**

Transit Kids Corner Web Page

- New interactive web site that makes learning about BCT fun and challenging
- Building a future generation of transit riders
- Visit BCT's page at broward.org and click on the Kids Corner logo
